

**THE WORLD'S FINEST BANDSAWS**

**COUGAR® BANDSAWS**

## **REGULAR AND VARI-PITCH™ BANDSAWS**

PROVEN IN SERVICE WITH NORTH AMERICA'S LARGEST AND MOST DEMANDING LUMBER PRODUCERS

**COLD-CUT:** Our proprietary technology in water-jet cutting eliminates case-hardened teeth.

**100% PREMIUM STEEL:** All CUT Technologies' big bandsaws, Vari-Pitch or regular, are made only of the finest EUROPEAN STEEL for unmatched performance, durability, workability.

**OPTIONAL COUGAR XX TENSION-STABILIZING:** This unique process, increases your recovery, reduces cracking and breaking, gives longer service between re-sharps, and cuts bench time substantially.

**FOR SUPER PERFORMANCE TRY COUGAR XX**

**THE INDUSTRY LEADER IN VARIED PITCH TECHNOLOGY**
