

*The World's Most Efficient, Lowest Maintenance,  
Highest Productivity Saws Are Now Even Better*

# **QUIET COUGARXX**

**TRIM SAW**

**FASTER, SMOOTHER  
CUTS WITH DRAMATIC  
LOWER VIBRATION**

Hollow-faced tooth  
configuration creates  
smoothest cut for clean  
imprinting

Lower vibration from  
unique slotting noticeably  
reduces noise level

Permits faster feeds while  
maintaining smoother cuts

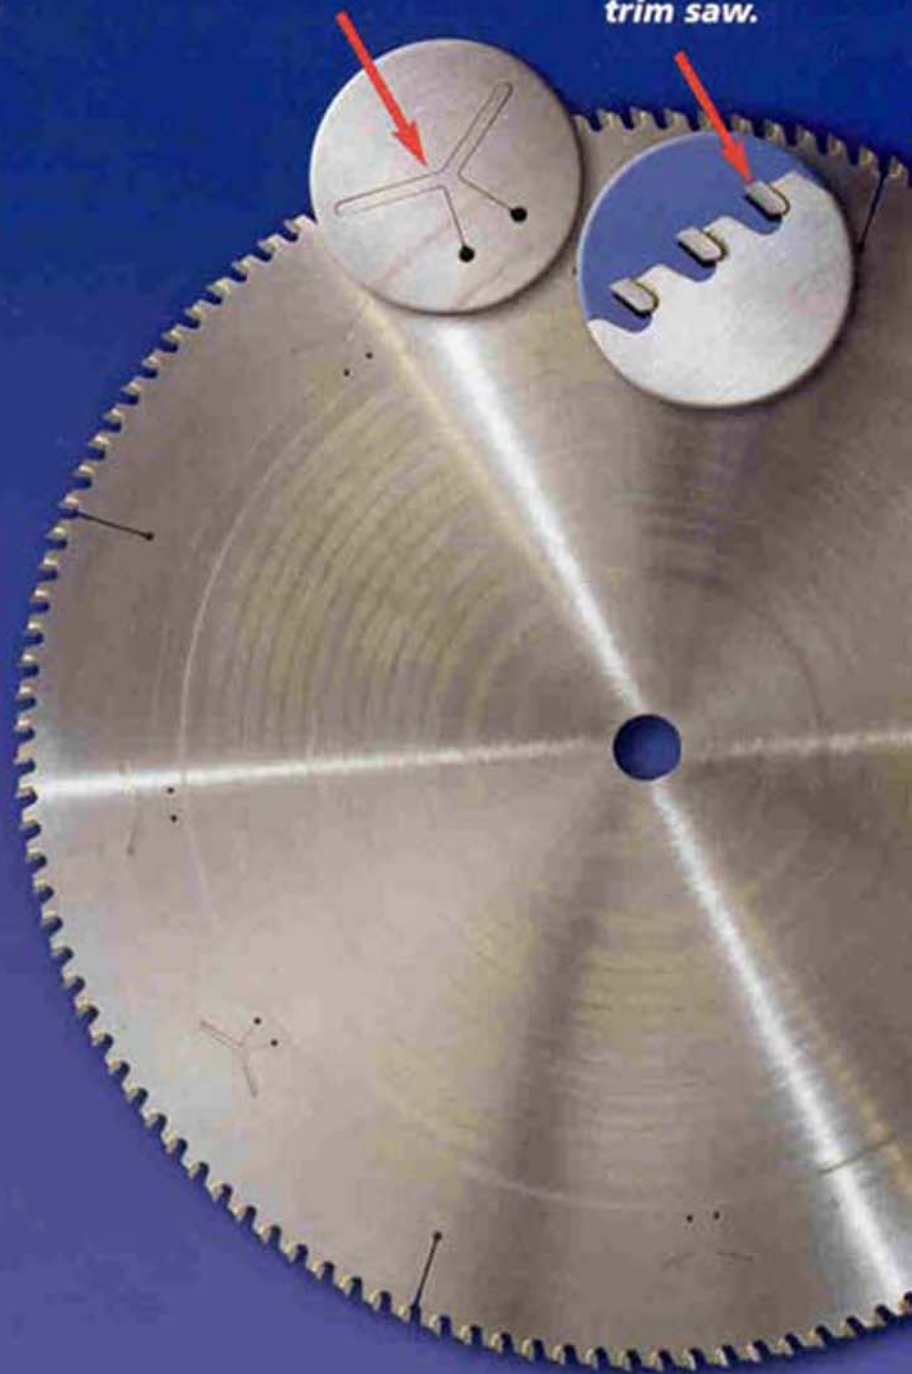

Extends saw life in  
harder species

Retip and sharpen in your  
file room

**QUIETLY AND  
DEPENDABLY GIVES  
YOU THE BEST  
TRIM CUTS EVER!**

*Unique resin-  
filled slots lower  
vibration,  
reduce noise.*

*New hollow-  
faced tips  
produce  
smoothest  
cut of any  
trim saw.*
